Subject: Start VGM data transmission

Sociedad Portuaria Regional Buenaventura S.A. informs its clients and port community in general that as part of the implementation process of the new SOLAS amendment, related to the VGM; since June 27<sup>th</sup> 2016, we will start the transmission of VGM information to Shipping Lines and Shipping Agencies.

The VGM notification will be made of the following way:

- Shipping Lines and Shipping Agencies will receive the notification through EDI VERMAS file, version 1.0.
- Shipper will receive the VGM notification through the delivery of the weighing ticket, emitted by the scale system of the terminal.

Sincerely,

Gustavo Florez Dulcey
